

## Ultra Panel Marine Inc

### Warranty

Ultra Panel Marine Inc (UPM) warrants to the original user (buyer), that at the time of shipment each product that is manufactured is free from defect in materials and workmanship and will perform as specified in any written literature prepared by UPM specifically in reference to that product, when the product is installed to meet the requirements of the U.S.C.G regulation 33CFR Sub Part 1, electrical systems, on all boats that have gasoline engines for electrical or mechanical power or propulsion. The Buyer must notify Ultra Panel Marine of any defect within this warranty in writing no later than thirty (30) days after defect is discovered and such notice must be received by Ultra Panel Marine within a period of one (1) year after the purchase of the product. No products shall be returned for repair or replacement without the prior written authorization of Ultra Panel Marine. Upon such authorization, the Buyer must return the product to UPM at the address indicated in packing slip/invoice. UPM agrees at its sole option to either repair or furnish a replacement for any product or component, which upon examination at the factory discloses to UPM at the factory to have been originally defective. This warranty does not apply to any assembly or component which has been damaged by misuse, neglect accident, modification or improper installation. UPM will not be liable for any special or consequential loss damage, or expense of any kind arising in connection with the use of its products. UPM liability being limited to repair or replacement of any originally defective goods which shall be the buyers sole and exclusive remedy for the breach of any warranty expressed or implied.

UPM neither assumes or authorizes any other person to assume for UPM. Any other liability in connection with the sale of its products, and no oral agreements or warranties made by a person shall affect or modify this warranty.
